

## Permission to use Photographs, Video, Audio or Written Materials

To deliver benefit to the church and local community, and to publicise our activities more widely, we seek to include a variety of materials in our publications and on our public website. We would be very grateful if you would help by giving us permission to use:

- photos, video or audio recordings in which **you / your child** feature,
- quotes or written testimonials etc. that **you / your child** may provide.

In our handling of this material we will take precautions against inappropriate use. For example we will make sure that pictures of children are not accompanied by their names.

If you have any questions about the use of any of these materials, please contact:
